**Xcess Load Permit - Over 150,000 lbs GVW**

*[www.NDEnergy.org](http://www.NDEnergy.org) Order Truck Permits  
 Permits - Create Trip Permit*

For Xcess Loads (150,000 lbs GVW and heavier) the fee is \$5 per ton per mile driven on county (or participating township) roads, on weight over 105,500 lbs.

- **APPROVAL REQUIRED.**

Formula Example:

300,000 lb. GVW - 105,500 = 194,500

194,500 ÷ 2,000 = 97.25 Tons

97.25 Tons X \$5.00 = \$486.25/mile

Uniform Permits are NOT authority to use county roads if road has been weight restricted by county. See restricted permit information below or contact the Sheriff's Dept. or County Road Superintendent in each county before using any weight-restricted county road.  Permits - Create Trip Permit*

To travel overweight on a restricted county road, a company must have a uniform county epermit in their possession, either paper form or electronic version displayed on a device. The permit must be an epermit obtained online at [ndenergy.org](http://ndenergy.org), and approved by the county. The fees are \$5/ton/mile over the restricted road maximum weight (gvw) plus \$1/ton/mile for each axle over the restricted axle weights. **APPROVAL REQUIRED**
